**The Black Jacket Symphony** will be playing *Appetite for Destruction*, the debut studio album of Guns N' Roses. Including hits like *Rocket Queen*, *Welcome to the Jungle*, and *Sweet Child O' Mine*, it will feel like you are transported right back to the '80s.

Remember putting on an album and listening from start to finish? Relive that moment with a live concert experience unlike any other as The Black Jacket Symphony recreates a select classic album live in its entirety—note for note, sound for sound—plus a full set of greatest hits from the evening's artist.

# VOLUNTEERS

## **OUR VOLUNTEERS SERVE AS "GOOD WILL AMBASSADORS"**

for our theater and are a vital and necessary part of the experience that every patron has when they attend an event at the CAC. The high level of service that the volunteer staff provides to our patrons ensures a favorable and lasting impression, while guaranteeing their comfort and safety while attending events. Volunteers serve many functions at the CAC such as greeting and directing patrons upon their arrival at the theater, ticketing, ushering, assisting guests with special needs and being of service to all patrons with questions or concerns.

# HISTORY

**TODAY, 30 YEARS LATER,** our theater's spirit remains as effervescent as ever. Almost 2 million guests have passed through our doors since that spectacular reopening in 1993 and millions more are sure to follow. Our stage has been graced by a diverse group of performances including Aretha Franklin, Jerry Seinfeld, Ringo Starr, George Carlin, Willie Nelson, Rent, Riverdance, Blue Man Group, and ZZ Top—almost 1,500 productions since opening.

Still, we are far more than just a roadhouse for touring productions. As the largest cultural institution in the county, we are also a community resource and the performance home for the Uptown Music Collective, the Williamsport Symphony Orchestra and Youth Orchestra, the Lycoming College Music Department, and the Repasz Band. We like to say that all the big events in Williamsport happen at the Community Arts Center, but it's more than that. We truly are a place where the arts and community intersect. As she did in 1928, the rechristened Capitol Theatre dazzles the eye and draws the community to her, just as she has been doing for almost 100 years.

## MISSION STATEMENT

- ◇ Enhance the quality of life for the community by providing exceptional arts and entertainment events and participatory activities;
- ◇ Offer programming that is appropriate to the diverse interests and needs of our regional audience and priced fairly to assure accessibility to all;
- ◇ Provide complete and courteous service and maintain a warm and welcoming environment for all of our guests.

# CAPITOL LOUNGE

## THE CAPITOL LOUNGE

is almost as busy as the Martin Theatre and serves two purposes. First, it's a good place to start any visit to the Community Arts Center. So come early, meet your friends, and enjoy a drink. Located on the second floor, the Capitol Lounge opens one hour before every show, remains open during intermission (if there is one), and stays open one hour after every show. The Lounge is accessible from the Mezzanine or via the lobby elevator (2R). There is a full bar, a large screen TV where you can watch the performance, and an outside deck with a firepit. It's a great place to begin or end your visit to 220 West 4th Street.

The Capitol Lounge is also a performance venue. Tunes on Tap features local musicians in concert while we feature local breweries. Murder Mystery Dinners let you help solve crimes with your friends, and the Comedy Zone brings sidesplitting hilarity to the Lounge.

## EDUCATIONAL SERIES COALITION

Each year, regional schools partner with the Community Arts Center to provide thousands of students the opportunity to experience live professional performances.

These hand-picked programs line up with the curriculum being taught in the classroom and provide students with opportunities they may not have access to otherwise.

By collaborating with schools in our region, the Community Arts Center provides these children with fun scholastic outings that expand learning beyond the classroom.
